A Moment Like This

First of all, I do not own Hakuouki (:

This is my first Hakuouki fanfic (and my first one shot O_O) as I finished it just recently... Decided to write one. Umm... Honestly, I also like Saito x Chizuru and Souji x Chizuru... but... for this story, I just decided to stick with Hijikata. xD

Well, hope you enjoy!

><p>Hijikata bit into the soft smooth skin of Chizuru's. Chizuru gave off a small moan and squeezed her eyes shut. This time, Hijikata didn't even use a blade. He just bit down into her skin right on the spot.<p>

Hijikata slowly wrapped his arms around Chizuru, and she could feel the heat emitting from his body. So warmâ€¦ Her own hands held onto his arms by themselves, and brought them closer to her. Slowly, Hijikata traced his tongue over the open wound, which was spilling out crimson droplets, trickling down the nape of her neck, and he slowly licked it, sending down electrical currents into Chizuru's body. Even though Hijikata had only done this a few times, he found pleasure and enjoyed it. His thoughts were focused only on Chizuru, with flashes of images, of all the moments they had spent together. Hijikata gently placed his lips on top of the wound, like a kiss, and sucked out some more blood from Chizuru's body.

As his hair started changing back to it's original raven black, and his eyes returning back to it's glowing violet, he relaxed, while

Chizuru also let go of his arms, letting him fall back and sit down.

"Hijikata-sanâ€¦" Chizuru looked at him with those innocent worried eyes.

"Chizuruâ€¦" Hijikata blinked slowly.

Chizuru kneeled down besides him and continued to gaze into his violet orbs.

"I've hurt you again, haven't I."

"N-noâ€¦ As long as it's Hijikata-sanâ€¦ This isn't painful at allâ€¦ I'm glad I could assist you at such timesâ€¦" Chizuru gave a genuine smile.

"But still, who would want a person they love to get hurt. But nowâ€¦ I've marked you this time, have I?" Hijikata's lips curved slightly upwards.

Chizuru blushed, and lifted her hands to brush away a strand of hair that fell in front of his face, but Hijikata suddenly grabbed onto Chizuru's wrists.

"Hijikata-san!?" Her eyes widened.

"Chizuruâ€¦" Hijikata pulled her forward, and Chizuru fell into his embrace. He adjusted her a little, and made sure she was comfortable in his lap.

"Hijikataâ€¦sanâ€¦" Chizuru blushed a fiery crimson.

"Can we just stay like thisâ€¦ for a while?"

"â€¦" Chizuru nodded slightly, while clutching onto his clothes.

After what seemed liked several minutes in silence, Chizuru opened her mouth and whispered, "Are you asleepâ€¦? Hijikataâ€”"

"Toshiâ€¦" His voice had cut her last sentence off.

"Ehâ€¦?"

Hijikata smiled and repeated himself, "It's Toshiâ€¦"

"â€¦" Chizuru felt like she was at a lost of words. It was hard to say what she had always wanted to. It feltâ€¦ embarrassingâ€¦ But nonetheless, she whispered, "â€¦Toâ€¦Toshiâ€¦" and buried her head more deeply into Hijikata's masculine chest.

Hijikata's smile grew wider and chuckled slightly.

"Chizuruâ€¦"

"Y-yeahâ€¦?"

"Turn around..."

"â€¦" Chizuru slowly turned her head, and glanced up. But she saw nothing but pitch black, as her face was already so close up to Hijikata's, that it blocked out all the light. The only thing she now felt was a pair of soft soothing lips colliding into hers. She closed her eyes and let herself enjoy the moment. Suddenly, there was nothing in contact with her lips and she opened her eyes.

"Chizuruâ€¦" Hijikata's fingers traced around the frame of Chizuru's face and smiled genuinely at her.

"Let's justâ€¦ stay here for a little longerâ€¦"

And Chizuru smiled and nodded.

><p>Done!<p>

A/N: That was really short actually... Wow. One-shots don't take too much time to write. O: Well maybe the quality wasn't great... Though I hope it was alright. (:
